## ELECTRIC FENCE AND SECURITY CENTRES

### Introduction

**Ndlovu Fencing (Pty) Ltd**, trading as **STAFIX ELECTRIC FENCE AND SECURITY CENTRES**, is the Southern African distributor of the international STAFIX and JVA ranges of electric fence energisers. We are a South African owned company that is committed to providing our customer base with a choice of quality imported and locally manufactured products that meet all the electric fencing needs of the Agricultural, Wildlife, and Perimeter Security market.

We have a number of strategically positioned sales and service outlets throughout Southern Africa, each with its own in-house technical personnel, so that we can offer you fast and efficient after sales repair service. Further we have access to an extensive network of accredited Stafix installers should you require your fence to be installed for you.

**Ndlovu Fencing** offers its customers a unique blend of experience and youth: The founder, now CEO, introduced high powered electric fencing to the Southern African market in the 70's. This combines with the youthful enthusiasm of our sales staff, all of whom have in-field practical experience in the erection and installation of electric fences, automatic gate motors, and intercom systems. The net result is we can provide you with all the necessary product, equipment, service and advice that you will require for the installation of your Agricultural, Wildlife and Security fencing systems.

#### Ndlovu Fencing provides:
